Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

The reply filed on 7/12/02 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The Applicant adequately elected to examine the claims of Group I (Claims 1-13), drawn to a semiconductor device. However in the Applicant's further election of species, the Applicant elected the species of Embodiment 1 (Figures 1-8), but the Applicant failed to elect the specific claims that read on the elected embodiment as required under 35 U.S.C 121. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
